EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for becoming licensed as a real estate salesperson or broker in the Commonwealth of Virginia. You need to pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the principles, practices, statutes and regulations relating to real estate. The Department has contracted with PSI to conduct its examination program. PSI provides examinations through a network of computer and paper-and-pencil examination centers in Virginia. PSI works closely with the Department of Professional and Occupational Regulation and its Examination Review Committee to be certain that examinations meet local as well as national requirements in basic principles of real estate and examination development standards.

The following are the examinations offered by PSI Examination Services:

Real Estate Salesperson Examination
Real Estate Broker Examination

Each examination consists of state and national portions. You must pass both portions to apply for licensure.

All questions and requests for information about examinations should be directed to:

EXAMINATION QUALIFICATIONS

Applicants for the Virginia Real Estate Examinations must be at least 18 years of age and must meet 1 of these additional requirements:

1. Complete the required prelicense education before taking the examination (See the *Virginia Real Estate Board Regulations*, *Real Estate License Laws* for details).
2. Be licensed to practice real estate in another state. Licensees of other states will be required to take ONLY the state portion of the Virginia Real Estate License Examination.

Note: Out-of-State Candidates must register by mail or fax and include the registration form found at the end of this bulletin.

INSTRUCTIONS FOR LICENSE QUALIFICATION

To make the license qualification process go as smoothly as possible, be certain that you:

1. Applicant must have, at a minimum, a high school diploma or its equivalent.
2. Obtain the appropriate number of hours of education in advance of registering for the examination.
3. Prepare for the examination by using the examination outline in this Candidate Information Bulletin and the suggested study materials that cover the outline topics.
4. Be sure that the examination registration form is complete and accurate, and that you include the correct fees.
5. Be sure to take proper identification with you to your scheduled examination appointment (details found on page 9).
6. After you have passed both portions of the PSI licensing examination, submit your license application form, any other required information, and the correct fees to the Virginia Department of Professional and Occupational Regulation. (See "License Application Instructions").
7. Fingerprinting is mandatory. Before submitting an application for a Virginia real estate license, each applicant must submit a set of fingerprints to the Virginia Central Criminal Records Exchange for the purpose of conducting a state and national fingerprint-based criminal history record. You will be electronically fingerprinted at one of PSI Virginia sites, during regular testing hours. The Johnson City, TN and Salisbury, MD test sites do not offer fingerprinting.
8. Once fingerprinting is done, the license application must be received by the Board within 45 calendar days or the applicant will have to pay to be fingerprinted again before a license will be issued.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your license examination. Planned preparation, in addition to the required classroom hours, increases your likelihood of passing.

- Start with a current copy of this Virginia Real Estate Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

EMERGENCY EXAMINATION CENTER CLOSING

In the event that severe weather or another emergency forces the closure of an examination center on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation; however, you may check the status of your examination schedule by calling (800) 733-9267. Every effort will be made to reschedule your examination at a convenient time as soon as possible.

WALK-IN EXAMINATIONS

Walk-in registration is available only to those candidates who have previously provided complete certification of their required education to PSI. YOU MUST PRESENT A CONFIRMATION NOTICE OR A FAILING SCORE REPORT TO BE ELIGIBLE FOR A WALK-IN EXAMINATION. You are strongly encouraged to schedule an examination. However, you may take the examination as a walk-in candidate. Walk-in examinations are available on a space-available, "first-come", "first-served" basis. Walk-in candidates will only be admitted after all scheduled candidates have been admitted. Because of seating limitations at examination centers, admission cannot be guaranteed to walk-in candidates. There is an additional fee of \$15 for walk-in candidates. This fee must be paid by money order, cashier's check, or company check at the examination center.

TAKING THE EXAMINATION BY COMPUTER

Taking the PSI real estate examination by computer is simple. You do not need any computer experience or typing skill. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown as follows. You may also use the mouse.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on screen. The time you spend on this tutorial (up to 15 minutes) does NOT count as part of your examination time. Sample questions are included as part of the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION

A sample question display follows. During the examination, you would press 1, 2, 3, or 4 to select your answer or press "MARK" to mark it for later review. You would then press ENTER to record your answer and move on to the next question. You can change your answer as often

as you like before pressing ENTER.

PRETEST ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "pretest" questions may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

EXAMINATION REVIEW

PSI, in cooperation with the Department of Professional and Occupational Regulation, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered on the computer keyboard during the examination. Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If an error affecting examination scores is discovered as a result, which occurs very rarely, the examination scores of all affected candidates will be automatically adjusted. This is the only review of the examination available to candidates.

SCORE REPORTING

In order to pass the examination, you must achieve the minimum score shown on each part of the examination.

	Number Correct
Salesperson	
National Portion	56
State Portion	30
Broker	
National Portion	60
State Portion	38

If you take the examination by computer, your score will be given to you immediately following completion of the examination. If you take the paper-and-pencil examination, your result will be mailed to you from PSI Headquarters.

Examination results are confidential and will be reported only to you and the Virginia Department of Professional and Occupational Regulation.

The following summary describes the score reporting process:

On screen - Your score will appear immediately on the computer screen. This will happen automatically at the end of the time allowed for the examination; if you are using review features, you will be able to obtain your score immediately when you indicate that you have finished and would like to see your results.

If you **pass**, you will immediately receive a successful notification and performance summary on the screen.

If you **do not pass**, you will immediately receive an unsuccessful notification on the screen along with a diagnostic report indicating your strengths and weaknesses by examination type. Registration forms for submittal to PSI to retake the examination will be available at the examination center.

On Paper - An official result report will be handed out at the examination center. This official score report is for your records, do not send it to the Virginia Department of Professional and Occupational Regulation

DUPLICATE SCORE REPORTS

You can write to PSI to request a duplicate of your score report.
